Entry & Qualification

- Entry fee: EUR 150 for the first pigeon of each team, payable in advance at collection
- Additional pigeons: EUR 150 per pigeon, payable after the 100 km qualification race
- Qualified pigeons must be activated within 5 days
- The organizer reserves final discretion regarding the condition and eligibility of pigeons for all races

Activation & Rights

- Pigeons not activated within 5 days shall transfer all rights to the organizer
- Such pigeons may be activated by any participant at EUR 150 per pigeon
- The activating participant shall receive full rights, including prize money and auction proceeds
- Activated pigeons may replace lost pigeons within a team

Payments

- All entry and activation fees shall include applicable bank and transaction charges

Lost Pigeons

- Replacement of lost pigeons is permitted until 30 June 2026, subject to organizer notification
- Team Championship
- A minimum of 12 pigeons is required to compete
- Participants entering fewer pigeons must activate additional pigeons to qualify

Auction

- Selected pigeons shall be auctioned after completion of the races
- Owners shall receive 60% of auction proceeds after deduction of a 10% processing fee
- Eligible pigeons include:
 - 1st-160th places of the 500 km FCI Final Race and all Ace Pigeon rankings
 - 1st-3rd places of Hot Spot and Ace Pigeon races
 - 161st place onward of the 500 km FCI Final Race for imported pigeons of foreign participants only (Pigeons of Thai participants shall be returned.)
- All prize money and auction proceeds are subject to applicable Thailand tax

Shipping of Auctioned Pigeons

- Buyers shall bear all shipping and freight costs
- The organizer will assist with shipping arrangements but shall not be responsible for non-delivery under any circumstances
- Auction proceeds are non-refundable
- Organizer responsibility ends 60 days after the auction concludes

Race distances may be adjusted due to weather conditions, in consultation with and in accordance with FCI guidelines.
